

2-tägiger workshop am 9./10. Oktober in der FU.

Ausrichter: Andreas Moser. Versammelt internationale Teilnehmer aus den Lebenswissenschaften, die sich für Teilnahme an folgenden calls interessieren. Resultat soll ein gemeinsamer Netzwerk-Antrag sein.

- SFS-08-2018-2019: Improving animal welfare – Precision Livestock Farming (Innovation Action)
- LC-SFS-17-2019: Alternative proteins for food and feed (Innovation Action)
- LC-SFS-19-2018-2019: Climate-smart and resilient farming – Efficiency and resilience of mixed farming and agroforestry systems (RIA)
- DT-RUR-14-2018: ICT Innovation for agriculture – Digital innovation Hubs for Agriculture

“Anyway, our idea is that we commonly define potential proposals and then see in which topic they fit best”. Es wird eine Teilnahmegebühr verlangt. Für weitere Infos bitte kurze mail an kontakt@foodberlin.de

2-day workshop on 9/10 October at the FU.

Host: Andreas Moser. Gathers international participants from the life sciences who are interested in participating in the following calls. The result should be a joint network application.

- SFS-08-2018-2019-2019: Improving animal welfare - Precision Livestock Farming (Innovation Action)
- LC-SFS-17-2019: Alternative proteins for food and feed (Innovation Action)
- LC-SFS-19-2018-2019-2019: Climate-smart and resilient farming - Efficiency and resilience of mixed farming and agroforestry systems (RIA)
- DT-RUR-14-2018: ICT Innovation for agriculture - Digital innovation Hubs for Agriculture

"Anyway, our idea is that we commonly define potential proposals and then see in which topic they fit best". A participation fee will be charged. For further information please send a short mail to kontakt@foodberlin.de
